

## Rebate Manager v 1.0 – created by PDAsoftnet.com

This program will help you to keep track all rebate, you know how much is outstanding and how much you received all the time.

The screenshot shows the main interface of the Rebate Manager application. At the top is a title bar with the text "Rebate Manager" and a small icon. Below the title bar is a table with three columns: "Date", "Item", and "Amount". The table contains two entries: "19/06/02" for "Sims Game" with an amount of "10.00", and "05/08/02" for "Printer" with an amount of "50.00". Below the table, there is a summary section showing "Recs: 2" and "Total: 60.00". At the bottom, there are two buttons: "New" and "Show All".

Date	Item	Amount
19/06/02	Sims Game	10.00
05/08/02	Printer	50.00

Recs: 2 Total: 60.00

Pending Received

New Show All

This is main screen and it shows the running totals of all your rebate entries.

Show All – show all the records in DB

Pending – show all pending rebates

Received – show all received rebates

The screenshot shows the detail input screen of the Rebate Manager application. It has a title bar with the text "Detail". Below the title bar, there are several fields for input: "Item: Printer", "Company: Epson", "Amount: 50", and "Sent: 13/06/01 Received:". Below these fields, there is a section titled "Requirements ->Edit" with two sub-sections: "Copy of Receipt" and "Copy of UPC". Below these, there is a field for "Printer for Jacky". At the bottom, there are several buttons: "OK", a set of navigation arrows, and "Del".
